

## DID YOU KNOW ?

Every Food Business Operator (FBO) must have at least one trained and certified “Food Safety Supervisor” by a FoSTaC training for every 25 “Food Handlers” in each business premises.

# NOT YET COMPLIANT ?

31

12

18

was the cut-off date by which FBO’s  
must comply to this new rule

# Become a Food Safety Supervisor NOW !

## MXNS FoSTaC training offer:

The training sessions take place at MXNS labs in Mumbai, Noida & Bangalore and are conducted by an empanelled Training Partner under FoSTaC. Each course lasts the whole day (9am to 6pm) and the cost is of 2,500Rs/attendee.

## 3 courses available at Basic & Advanced levels

Manufacturing / Catering / Retail & Distribution

## Why attend a FoSTaC training ?

- Understanding of basic food safety & hygiene concepts
- Guidance from a FSSAI certified trainer
- Certificate from FSSAI after successful completion of the training
- Become a certified Food Safety Supervisor and gain the ability to train the Food Handlers at your own premises
