

ACKNOWLEDGEMENTS AND AUTHORIZATIONS

ISO/IEC 17025

All laboratories within the Mérieux NutriSciences network are in compliance with ISO/IEC 17025. The laboratories in Italy are accredited by Accredia.

- **Bergamo** (00051 D): accreditation in compliance with ISO/IEC 17025:2017 for micro analysis in food and pet food. First accreditation 2000
- **Prato** (00051 B): accreditation in compliance with ISO/IEC 17025:2017 for micro, chemical – physical, biochemical, nutritional analysis for food, environmental samples and food contact materials. First accreditation 1997
- **Priolo Gargallo** (00733 – ex 0953): accreditation in compliance with ISO/IEC 17025:2017 for chemistry analysis in environmental samples. First accreditation 2009
- **Resana** (00051 A e B): accreditation in compliance with ISO/IEC 17025:2017 for micro, chemical - physical, biochemical, nutritional, GMO, microscopic analysis in agriculture, food, environment, detergents, cosmetic, food contact material, industrial hygiene. First accreditation 1993
- **Volpiano** (00090 A – ex 0094 A): accreditation in compliance with ISO/IEC 17025:2017 for chemical – physical, microbiological and ecotoxicological analysis in environment. First accreditation 1995
- **Resana** (00090 G – ex 0051 B): accreditation in compliance with ISO/IEC 17025:2017 for chemical – physical analysis in environment. First accreditation 1993
- **Uta** (00090 C – ex 0094 C): accreditation in compliance with ISO/IEC 17025:2017 for chemical – physical analysis in environment. First accreditation 2005
- **Cairo Montenotte** (00258 A – ex 0288 A): accreditation in compliance with ISO/IEC 17025: 2017 for chemical analysis on environmental matrices. First accreditation 2000
- **Porto Torres (Via Giovanni da Verrazzano)** (00258 B – ex 0288 B): accreditation in compliance with ISO/IEC 17025: 2017 for chemical analysis on environmental matrices. First accreditation 2000

ISO 9001:2015 CERTIFICATION

- **Resana/Prato (Via Marradi 45, Via Paolieri 3)/Bergamo/Volpiano (Corso Europa 600/A, Corso Europa 609)** Certification granted by BUREAU VERITAS for the following activities *“Planning and provision of chemical, physical and microbiological analysis, research and technical- scientific services for industrial, craft, trade and service enterprise. Sampling management”*. (1stcertification June 1999) ([n. IT333314](#)).
- **Cairo Montenotte** Certification granted by RINA for the following activities *“Provision Of The Following Services: Sampling, Chemical And Microbiological Analyses, Physical Tests On Food Products, Water, Effluents, Industrial And Urban Waste. Provision Of Sampling Services, Chemical Analyses And Physical Tests On Raw Materials And Finished Products For Industry.”*. (1stcertification December 2002) ([certificate n. 7895/02/S](#)). The certification is valid inside the IQNet circuit ([certificate nr. IT-27669](#))

ISO 14001:2015 CERTIFICATION

- **Resana/Volpiano** Certification granted by BUREAU VERITAS for the following activities *“Planning and provision of chemical, physical and microbiological analysis, research and technical- scientific services for industrial, craft, trade and service enterprise. Sampling management”* (first certification July 2006) (n. [IT333315](#))
- **Cairo Montenotte** Certification granted by RINA for the following activities *“Provision Of The Following Services: Sampling, Chemical And Microbiological Analyses, Physical Tests On Food Products, Water, Effluents, Industrial And Urban Waste. Design And Provision Of Sampling Services, Chemical Analyses And Physical Tests On Raw Materials And Finished Products For Industry”* (1stcertification September 2006) ([certificate n. EMS-1480/S](#)). The certification is valid inside the IQNet circuit ([certificate nr. IT-51455](#))

UNI ISO 45001:2018 CERTIFICATION

- **Resana, Prato (Via Marradi 45, Via Paolieri 3), Volpiano (Corso Europa 600/A, Corso Europa 607, Corso Europa 609)** Certification granted by BUREAU VERITAS for the following activities *“Planning and provision of chemical, physical and microbiological analysis, research and technical- scientific services for industrial, craft, trade and service enterprise. Sampling management”*. (first certification June 2009) ([n. IT333386](#)).
- **Cairo Montenotte/Porto Torres** Certification granted by RINA for the following activities *“Provision Of The Following Services: Sampling, Chemical And Microbiological Analyses, Physical Tests On Food Products, Water, Effluents, Industrial And Urban Waste. Provision Of Sampling Services, Chemical Analyses And Physical Tests On Raw Materials And Finished Products For Industry.”*. (1stcertification May 2016) ([certificate n. OHS-2678](#)). The certification is valid inside the IQNet circuit ([certificate nr. IT-106301](#))

UNI PdR 125:2022 CERTIFICATION

For all Chelab S.r.l. Certification granted by BUREAU VERITAS for the following activities “Measures to guarantee gender equality in the working context relating to the design and provision of chemical, physical and microbiological analysis services and research and technical-scientific assistance for industrial, artisanal, commercial and service companies. Sampling management”. (first certification June 20249) ([n. IT333367](#)).

REGISTRATION IN THE REGISTER OF RESEARCH LABORATORIES

Registration for the lab in Resana in the register of research laboratories according to art. 14 of D.M. 593 of 08/08/2000 ([Resana](#))

APPROVED ORGANISATION CARRYING OUT R&D ACTIVITIES FOR THE ACCOUNT OF PRIVATE COMPANY FOR THE RECOGNITION OF THE FRENCH CREDIT D'IMPOT RECHERCHE (CIR)

Inclusion in the list of approved organisations carrying out R&D activities by the French Ministère de l'Enseignement supérieur et de la Recherche, Direction générale pour la recherche et l'innovation, for the recognition of the "Crédit Impôt Recherche – [Décision d'Agrément 23/02/2022](#) .

FOOD

APPROVED LABORATORIES THAT PERFORM ANALYSIS FOR SELF-MONITORING PLAN

- **Bergamo:** registration in the Lombardia Regional Register (valid on Italian territory) of the laboratories that perform analysis requested by the self-monitoring plan procedures in the food industry according to L. 9/266 14/7/2010. Registration number: 030016301009).
- **Prato:** registration in the Toscana Regional Register (valid on Italian territory) of laboratories performing analysis requested by the self-monitoring plan procedures in the food industry according to D.R. 3001 03/07/2008. Registration number: 016.
- **Resana:** registration In the Veneto Regional Register (valid on Italian territory) of the laboratories that perform analysis requested by the self-monitoring plan procedures in the food industry according to L. 07/07/2009 nr. 88. First registration: decree nr. 366 on 02/ 08/2005 of the General Prevention Direction according to D.L.vo 26/05/1997 nr. 155. Registration number: 7.
- **Volpiano:** registration in the Piemonte Regional Register of laboratories performing analysis requested by the self-monitoring plan procedures in the food industry according to DGR n. 13-1522 del 18/02/2011, numero di registrazione 77.

REGISTRATION IN THE ITALIAN MINISTRY OF AGRICULTURE, FOOD AND FORESTRY POLICIES REGISTER OF LABORATORIES WHICH PERFORM ANALYSIS FOR ORGANIC FARMING PRODUCTS

Registered in the list of the Italian Ministry of Agriculture, Food and Forestry Policies as a laboratory approved to perform analysis of samples from organic farming in accordance with Article 12 of Regulation (EC) No. 882 of 29

April 2004 and subsequent amendments and additions

REGISTRATION IN THE ITALIAN MINISTRY OF HEALTH REGISTER OF LABORATORIES WHICH PERFORM PESTICIDES, NITRATES AND NITRITES TESTING ON FRUIT AND VEGETABLES FOR THE EXPORT TO RUSSIA

The list of the authorized laboratories is available on the following link: <http://www.salute.gov.it/>

QS - FACHGESELLSCHAFT OBST-GEMÜSE-KARTOFFELN GmbH APPROVAL

Resana and Prato labs have been acknowledged by QS – Fachgesellschaft Obst-Gemüse-Kartoffeln GmbH - as laboratory authorized for the monitoring of residues on fresh fruits, vegetables and potatoes in the QS quality system Prato first acknowledgment 2006, [certificate nr. 401743](#). Resana first acknowledgment August 3, 2007, [certificate nr. 402097](#)

Resana lab has been acknowledged by [QS – Anerkannte Labore für das Futtermittelmonitoring](#) as laboratory authorized for testing dioxins, PCBs and non-dioxin like PBCs, heavy metals (arsenic, lead, cadmium, mercury, nickel), Aflatoxin B1, Ochratoxin A, Zearalenone, Deoxynivalenol, Salmonella, Multi method for pesticides and PAHs in feed. First acknowledgment 2018.

EDEKA APPROVAL

Resana laboratory has been acknowledged by EDEKA as laboratory authorized for the monitoring of residues on fresh fruits,

Mod. 1708/SQ rev. 1 - rev. 198 01/10/2025

vegetables and potatoes and for the recording of the data in the I-monitoring database. The list of the laboratories is available in the website www.i-monitoring.net.

FRUIT MONITORING

Prato and Resana are authorized by the Fruit Monitoring system to perform pesticide residues on fruit and vegetables commercialized in Germany. The list of laboratories is available in the website www.fruitmonitoring.com

GMP+ APPROVAL

Resana lab has been acknowledged by GMP+ as laboratory authorized for testing dioxins, PCBs and non-dioxin like PBCs, heavy metals (arsenic, lead, cadmium and mercury), aflatoxin B1/fluorine and pesticides in feedstuffs. First acknowledgment 2018 (Via , Fratta Registration Nr. GMP049439; Via Castellana Registration Nr. GMP050136).

AUTHORIZATION TO PERFORM OFFICIAL ANALYSIS ON WINES AND WINE EXPORTATION

Authorization from the Italian Ministry of Agricultural and Forest Policies to perform official analysis on wines and to issue analysis certificates for wine exportations according to the Italian and Community regulations. [_Authorization from Ministry of Agricultural, Food and Forest Policies Decree of 03/03/2017](#) Resana lab.

AUTHORIZATION TO PERFORM OFFICIAL ANALYSIS ON OIL

Authorization from the Italian Ministry of Agricultural and Forest Policies to perform official analysis on oils, according to the Italian and Community regulations. [_Authorization on Ministry of Agricultural, Food and Forest Policies Decree of 15/03/2017](#). Resana lab.

AUTHORIZATION FOR ANALYSIS ON MEDICATED FEED

Authorization from the Italian Ministry of Health to perform quantitative and qualitative analysis on medicated feed according to the [Decree of 11/16/93](#) (prot. nr. 600.9/24315/AG117L/ 21/2602 of 11/30/1995). Resana lab.

AUTHORIZATION FOR ANALYSIS ON FAT CONTENT IN MILK

Authorization of Veneto Region for analysis on fat content in milk for quality payment purpose, according to Circ. Nr. 5 of 03/20/93 (prot. nr. 9320/40142 of 09/21/1993). Resana lab.

ASSOBIRRA AUTHORIZATION

Beer and Malt Industry Association (ASSOBIRRA) authorization for conducting quantitative PCR analysis on corn and for traceability for GMO-free corn. Resana lab.

REGISTRATION IN THE LIST OF LABORATORIES RECOMMENDED BY AIC

Registration in the list of the laboratories recommended by the Italian Celiac Association (AIC) to detect gluten in food. Resana lab. [List of the laboratories AIC](#)

REGISTRATION IN THE LIST OF LABORATORIES AUTHORIZED BY FACE (Federacion de Asociaciones de Celiacos de Espana)

Registration in the list of the laboratories authorized by the Spanish Federation of the Celiacs Association (FACE) to detect gluten in food. <http://www.celiacos.org>. Resana lab.

REGISTRATION IN THE LIST OF COOP ITALIA LABORATORIES

Registration in the list of the COOP ITALIA authorized laboratories for the execution of microbiological analyses, dioxin research, GMO analyses, pesticide analysis, migrations analysis in packaging and foods, analysis of nitrates, analysis of mycotoxins, analysis of allergens, analysis of aromatic polycyclic hydrocarbons, analyses of heavy metals. Resana lab. [Registration COOP Italia laboratories](#)

REGISTRATION IN THE LIST OF COOP ITALIA LABORATORIES

Registration in the list of the COOP ITALIA authorized laboratories for the execution of and pesticide analysis on foods. Prato lab.

REGISTRATION IN THE LIST OF LABORATORIES RECOMMENDED BY INAO

Registration in the list of the laboratories recommended by the french Institut National de l'Origine et de la Qualité (INAO) to detect soluble dry extract (°Brix) in vegetables. Resana lab. [List of the laboratories INAO](#)

REGISTRATION ICA

Registration in Colombia as a Quality Control Laboratory of Agricultural Bioproducts, to determine free amino acids in raw material and formulated product by the Instituto Colombiano Agropecuario (ICA), through the resolution 000939, dated April

Mod. 1708/SQ rev. 1 - rev. 198 01/10/2025

11, 2012. Resana. [Registration ICA](#)

REGISTRATION IN THE LIST OF JAPANESE MINISTRY OF HEALTH FOR ANALYSIS OF FOOD EXPORTED IN JAPAN

Registration in the list of Japanese Ministry of Health (through the Italian Ministry of Health) for analysis of food exported in Japan. Resana registration number IT10052, Prato and Bergamo registration number IT10431.

QUALIFIED LABORATORY FOR ITALIAN NATIONAL PROGRAMME FOR SALMONELLOSIS (PNCS)

According to what is stated in the note 0025886-09 / 12/2014-DGSAF-COD_UO-P of the Italian Ministry of Health, the site of Resana has been recognized as qualified by the Ministry of Health to perform the analysis of samples from the 2015 PNCS. The laboratory has been included in the list of private laboratories suitable, available in the public part of the webportal www.vetinfo.sanita.it ->sezione zoonosi ->piani salmonellosi ->Identificazione laboratory private che intendono eseguire le analisi dei campioni prelevati dagli OSA (PNCS).

GAFTA (UK) CERTIFICATION “APPROVED LABORATORY UNDER GRAIN ANALYST SCHEME”

Certification “Approved Laboratory under the Grain Analyst Scheme (GAFTA)” released by GAFTA – London (UK) for grain testing (proteins and moisture). (Resana)

BUNDESVERBAND NATURKOST NATURWAREN - BNN APPROVAL

[BNN](#) approved for Resana lab for mycotoxins, dioxins and PCBs testing in fruit and vegetables (fresh and processed), cereals and cereal products, rice, oilseeds and vegetable oils and fats, tea, fruit and herbal tea, dried herbs and spices, honey and bee products and for Prato lab for pesticides in fruit and vegetables (fresh and processed), cereals, rice and pulses.

PHARMACEUTICAL

INSPECTED, ACCEPTED AND REGISTERED BY FDA

Chelab is registered by FDA as Outside Testing Facility engaged in control activities for dosage forms and active ingredients release. Registration status available on FDA site. <https://www.accessdata.fda.gov/scripts/cder/drls/getdrls.cfm>. Resana.

QUALITY CONTROL LABORATORY AUTHORIZATION FOR HUMAN MEDICINAL PRODUCTS

Chelab is authorized by the Italian Competent Authority (AIFA) as independent Contract Research Organization which performs Quality Control Testing (microbiological, chemical/physical and biological) of human Medicinal Products, Investigational Medicinal Products for human use and active pharmaceutical ingredients ([authorization nr. aM 185/2024](#)). Resana.

GMP CERTIFICATE

Chelab is regularly inspected by AIFA for the compliance with the Good Manufacturing Practice (GMP) requirements referred to The principles and guidelines of GMP laid down in Directive 2003/94/EC ([certificate n IT/253/H/2024](#)). Resana.

QUALITY CONTROL LABORATORY AUTHORIZATION FOR MEDICINAL PRODUCTS FOR VETERINARY USE Chelab is authorized by the Italian Ministry of Health as Contract Quality Control laboratory for microbiological, chemical/physical and biological testing of Medicinal Products and active pharmaceutical ingredients for veterinary use. [Authorization N.14/2011/V](#). Resana.

GMP CERTIFICATE

Chelab is regularly inspected by the Italian Ministry of Health for the compliance with the Good Manufacturing Practice (GMP) requirements referred to in The principles and guidelines of GMP laid down in Directive 91/412/EC ([certificate nr. NBF/44/2021/V](#)). Resana.

AUTHORIZATION FOR USE OF INTERNATIONALLY CONTROLLED SUBSTANCES

Chelab is authorized by Italian Ministry of Health for use, only for analytical control, of substances listed in the tables of medicines of the Italian DPR 309/90. [Authorization DDn 251/2025](#). Resana.

LICENCE FOR DRUG PRECURSORS

License by the Competent Authority as operator engaged in import, storage and use of substances listed in Category 1 of the Annex of Regulation (EC) No 111/2005. [License n° 45/2025](#). Resana.

AUTHORIZATION TO ANALYTICAL CONTROLS ON ‘PRESIDI MEDICO CHIRURGICI’ (PMC)

Mod. 1708/SQ rev. 1 - rev. 198 01/10/2025

Chelab is authorized by the Italian Ministry of Health to carry out chemical, physical-chemical, microbiological, technological controls on PRESIDI MEDICO CHIRURGICI ([Controls Decree PMC. No 35/2012/Off.304](#)). Resana.

GOOD LABORATORY PRACTICE (GLP)

GLP CERTIFICATE

Chelab is regularly inspected by the Italian Ministry of Health for the compliance with the principles of Good Laboratory Practice within the following areas of expertise: 1) Physical-Chemical Testing; 2) Toxicity Studies; 3) Mutagenicity Studies; 4) Environmental Toxicity Studies on Aquatic or Terrestrial Organisms; 5) Studies on Behaviour In Water, Soil and Air; Bioaccumulation; 6) Residue Studies; 9.2) Inactivation and Removal Studies of Pathogens; 9.3) Biocompatibility Studies; 9.5) Microbiology Studies; 9.7) Pharmacokinetics/ Toxicokinetics and ADME Studies; 9.10) Biocidal/Virucidal Activity Studies ([Provisional Certificate 07/07/2025](#)). Resana.

CONSUMER GOODS

ACKNOWLEDGMENT TO PERFORM ANALYSIS ACCORDING TO ECOLABEL UE SYSTEM

Resana lab is approved by the Ecolabel- Ecoaudit Committee to perform the independent preliminary control necessary to obtain the European mark for ecological quality ECOLABEL (based on the Regulation 66/2010).

The approval covers the following products:

- Hand dishwashing detergents (Decision 2011/382/UE and as subsequently amended and supplemented);
- Detergents for dishwashers (Decision 2011/263/UE and as subsequently amended and supplemented);
- Laundry detergents (Decision 2011/264/UE and as subsequently amended and supplemented);
- All purpose detergents and cleaners for sanitary elements (Decision 2011/383/UE and as subsequently amended and supplemented)

AUTHORIZATION BY TUV AUSTRIA

Authorization for analysis [of packaging necessary to obtain the mark OK COMPOST and SEEDLING MARK](#) in according to standard EN 13432:2000 and directive 94/62/EEC and successive modifications and for OK COMPOST HOMW MARK. Resana lab.

ACKNOWLEDGMENT TO PERFORM ANALYSIS FOR INDUSTRIAL AND DOMESTIC (HOME) COMPOSTABILITY

The Resana laboratory has obtained DIN CERTCO, TUV AUSTRIA recognition for the execution of tests on plastic materials and/or additives, packaging, paper used in the manufacturing process to verify their compliance with the requirements established by current legislation regarding compostability based on: EN 13432:2000, ASTM 6400, ASTM 6868, ASTM 6410, AS 4736, AS 5810, JIS K 6953, ISO 17088 ([registration number PL269](#) and TUV Austria certificate [TA8091903601](#) and [TA8091903600](#)) for obtaining the DIN Mark Geprüft test mark Industrial, DIN-Geprüft test mark Home, DIN-Geprüft test mark Industrial Plus, Seedling, BPI Mark (US) based on ASTM D6400-ASTM D6868-ASTM D8410, Australasian Bioplastics Association (ABA) Mark based on AS 4736 and Home based on AS 5810, JPBA (JAPAN), Tuv Austria NBR 15448-2 (Brazil), Ok Compost Industrial, Ok compost Home

ACKNOWLEDGEMENT TO PERFORM ANALYSIS FOR BIODEGRADABILITY IN SOIL

The Resana laboratory has obtained DIN CERTCO recognition for the execution of tests on additives, intermediates, products and plastic materials in compliance with EN 17033 & ISO 23517 ([registration number PL269](#)), in accordance with the Certification Schemes: Biodegradable in Soil products and for obtaining the marks: "DIN-Geprüft Biodegradable in soil" & ABA – Biodegradable in Soil

ACKNOWLEDGMENT TO RELEASE THE LABEL FOR RECYCLABLE WITH PAPER

The laboratory in Resana is qualified to carry out the paper recyclability test to obtain the RECYCLABLE WITH PAPER - Aticelca® 501 brand. Aticelca brand which is the technical arm of Assocarta (<https://www.aticelca.it/1/riciclabilita-della-carta/i-laboratori-qualificati/>)

ENVIRONMENTAL - INDUSTRIAL

ACKNOWLEDGMENT FOR ANALYSIS ON EMISSIONS, DUMPS, GARBAGE AND REUSABLE MATERIALS

Acknowledgment of Veneto Region for physical, chemical and biological analysis on emissions, dumps, garbage and reusable materials according to L.R. nr. 33/85 and its subsequent changes and amendments. Resana lab.

Acknowledgment of Liguria Region to carry out technical tasks related to emission control and compliance with air quality standards according to Regional Law 11/85 (Cairo Montenotte)

ACKNOWLEDGMENT OF COMPLIANCE FOR ANALYSIS ON ASBESTOS

Acknowledgment of compliance of Italian Health Ministry for analysis on asbestos according to D.M. of 14/05/1996 by MOCF, SEM and DRX. Resana lab

(<https://www.salute.gov.it/new/it/tema/rischio-chimico/laboratori-che-effettuano-analisi-sullamianto/>).

Acknowledgment of compliance of Italian Health Ministry for analysis on asbestos according to D.M. of 14/05/1996 by MOCF, SEM, FT-IR e TEM. Volpiano lab

(<https://www.salute.gov.it/new/it/tema/rischio-chimico/laboratori-che-effettuano-analisi-sullamianto/>).

Acknowledgment of compliance of Italian Health Ministry for analysis on asbestos according to D.M. of 14/05/1996 by MOCF. Priolo lab

(<https://www.salute.gov.it/new/it/tema/rischio-chimico/laboratori-che-effettuano-analisi-sullamianto/>).

Acknowledgment of compliance of Italian Health Ministry for analysis on asbestos according to D.M. of 14/05/1996 by MOCF. Uta lab

(<https://www.salute.gov.it/new/it/tema/rischio-chimico/laboratori-che-effettuano-analisi-sullamianto/>).

Acknowledgment of compliance of Italian Health Ministry for analysis on asbestos according to D.M. of 14/05/1996 by MOCF, SEM and FTIR. Cairo Montenotte lab

(<https://www.salute.gov.it/new/it/tema/rischio-chimico/laboratori-che-effettuano-analisi-sullamianto/>).

ARPAV QUALIFICATION

Qualification for analysis on soil in accordance with [DGRV 2241/05 e DGRV 1407/06](#). Resana lab.

REGISTRATION IN THE LIST OF THE LABORATORIES AUTHORIZED TO CONDUCT FERTILIZERS ANALYSIS

The lab in Resana is in the list of the national laboratories authorized by the Italian Agriculture Ministry to verify the compliance of fertilizers. Resana - [Registration in the list of the laboratories authorized](#)

The lab in Cairo Montenotte and Porto Torres (Via Giovanni da Verrazzano) is in the list of the national laboratories authorized by the Italian Agriculture Ministry to verify the compliance of fertilizers.

REGISTRATION IN THE LIST OF LABORATORIES RECOMMENDED BY INAO

Registration in the list of the laboratories recommended by the french Institut National de l'Origine et de la Qualité (INAO) to detect pesticides in soils. Resana lab. [List of the laboratories INAO](#)

ACKNOWLEDGMENT FOR ANALYSIS ON WASTES FROM ELECTRIC AND ELECTRONIC DEVICES Acknowledgment of Centro di Coordinamento RAEE for chemical analysis on wastes from electric and electronic devices. Resana lab. ([Resana - at "Indicazione analisi"](#))

ACKNOWLEDGMENT BY THE FRENCH MINISTRY OF ENVIRONMENT FOR ANALYSIS IN THE WATER SECTOR

The Volpiano Laboratory has been included in the list of laboratories recognised by the French Ministry of the Environment for the analysis of chemical and chemical-physical parameters in fresh and waste water. <http://www.labeau.ecologie.gouv.fr/index.php/pdf/383>
