Dear Sir / Madam

**ACCREDITATION AS TRAINING AND ASSESSMENT PROVIDER**

The Quality Council for Trades and Occupations (QCTO) is responsible for the quality assurance of education and training of programmes registered on the Occupational Qualifications Sub-framework (OQSF) as part of the National Qualifications Framework (NQF). FoodBev SETA awards accreditation and learning programme approval to constituent skills development providers for qualifications and part qualifications assigned to its scope by the QCTO.

This letter serves to confirm that **Mérieux NutriSciences** has been re-accredited with **Full Accreditation** status as a Training and Assessment Provider by the FoodBev SETA. The accreditation is extended for a further period of **five (5) years** from **08 June 2020** to **07 June 2025**.

**Mérieux NutriSciences** is approved by FoodBev SETA to provide training on the following learning programmes only: Full qualification (Qual) and/or Skills Programmes (SP).
